

**THE PENN TRAFFIC COMPANY, et, al.**

U.S. Bankruptcy Court for the District of Delaware

Case No.: 09-14078 (PJW)

**Catch-up Distribution – September 30, 2011**

The Penn Traffic Company Plan Administrator, WDC Solutions, Ltd., in consultation with the Penn Traffic Post-Confirmation Oversight Committee, determined that a catch-up distribution with respect to newly Allowed General Unsecured Claims (Class 3) is appropriate at this time. If your claim was recently allowed, the check you receive is for 3.00% of your allowed claim. The 3.00% is comprised of the 2.00% initial distribution and 1.00% second distribution already paid to claimants whose General Unsecured Claims were previously allowed. The Plan Administrator anticipates that additional distributions to Holders of Allowed General Unsecured Claims will follow, but such distributions are not assured.

Pursuant to the Plan, the Company, in its catch-up distribution, is also paying recently Allowed Administrative Claims, Allowed Priority Claims and Allowed Convenience Claims (as defined in the Plan). (Please see [Additional Information](#) for classification and treatment of all Allowed Claims). For holders of Allowed Administrative Claims, Allowed Priority Claims and Allowed Convenience Claims, this distribution is in full payment and satisfaction of such claims.
