

THE PENN TRAFFIC COMPANY, et. al.

U.S. Bankruptcy Court for the District of Delaware
Case No.: 09-14078 (PJW)

Fourth Distribution – June 29, 2012

The Penn Traffic Company Plan Administrator, WDC Solutions, Ltd., in consultation with the Penn Traffic Post-Confirmation Oversight Committee, has determined that a fourth distribution, of 1.00% of the amount of each Allowed General Unsecured Claim (Class 3), is appropriate at this time. If your Class 3 claim was recently allowed, the check you receive is for 8.00% of your allowed claim. The 8.00% is comprised of the 2.00% initial distribution, the 1.00% second distribution, the 4% third distribution and the 1.00% fourth distribution. The Plan Administrator anticipates that additional distributions to Holders of Allowed General Unsecured Claims will follow, but such distributions are not assured.

Pursuant to the Plan, the Company, in this fourth distribution, is also paying recently Allowed Administrative Claims, Allowed Priority Claims and Allowed Convenience Claims (as defined in the Plan). (Please see [Additional Information](#) for classification and treatment of all Allowed Claims). For holders of Allowed Administrative Claims, Allowed Priority Claims and Allowed Convenience Claims, this distribution is in full payment and satisfaction of such claims.
