

THE PENN TRAFFIC COMPANY, et. al.

U.S. Bankruptcy Court for the District of Delaware
Case No.: 09-14078 (PJW)

Initial Distribution – March 1, 2011

The Penn Traffic Company Plan Administrator, WDC Solutions, Ltd., in consultation with the Penn Traffic Post-Confirmation Oversight Committee, determined that an initial distribution of 2.00% of the amount of each Allowed General Unsecured Claim should be made. That Initial Distribution to Allowed General Unsecured claimants was made on March 1, 2011. In addition, pursuant to the Plan, the Company made payments on account of Allowed Administrative Claims, Allowed Priority Claims and Allowed Convenience Claims (as defined in the Plan). (Please see [Additional Information](#) for classification and treatment of all Allowed Claims). For holders of Allowed Administrative Claims, Allowed Priority Claims and Allowed Convenience Claims, the distribution was in full payment and satisfaction of such claims. The Plan Administrator anticipates that additional distributions to Holders of Allowed General Unsecured Claims will follow, but such distributions are not assured.
